RE: State of Connecticut Travel Advisory Pertaining to our Summer Camps

The governor of the State of CT has come out with a mandatory 14-day quarantine when returning to CT from select states. As a courtesy to others, we are requesting that our camp staff and camp families please advise us if you are traveling on vacation to any of the listed states. Currently those states are Alabama, Arkansas, Arizona, Florida, North Carolina, South Carolina, Washington, Utah and Texas. These could be updated at any time.

Here is the travel advisory from the State:

We are kindly requesting that you follow the governor's mandate and self-quarantine for 14 days upon your return. You will be fully refunded for any weeks that your child does not attend camp due to this travel advisory.

If you have any questions, please feel free to contact the office. Again, this is a courtesy for everyone attending our camps this summer.
